

2016

Trash Pick-Up Schedule

Yard waste consists of grass clippings, leaves, tree limbs, and shrubbery (absolutely no soil or food products). If bagged, it must be in recyclable paper yard waste bags.

Yard waste may be cut into no longer than 4-ft lengths, bundled (cotton string only) and placed at the curb for pickup. If yard waste is placed in a trash can, the can must be at the curbside with the lid off (not in a bin). Logs are limited to 30 lbs. and 4 inches diameter.

To ensure pickup, yard waste should be put at the curbside the night before pickup day.

Yard waste must not be commingled with trash or recycling. Yard waste in plastic bags or commingled with trash or recycling will not be picked up.
